How is your Community Center working for you?

*Come tell us why (or why not) and meet
new Boston Centers for Youth & Families
Executive Director, Robert Lewis, Jr.*

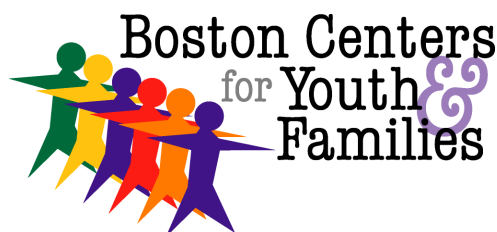

Does that city community center down the street have any meaning to you?

Do you take advantage of the programs and services it offers?

Do you want to voice your opinion on what you would like to see offered at the center to the Executive Director of all 46 city community centers and his staff?

Now's your chance!

Boston Centers for Youth & Families, the City of Boston's largest youth and human service agency, and new Executive Director, Robert Lewis, Jr., invite you to come to your community forum to discuss your local center, meet new Executive Director Lewis, and learn how you can be involved in shaping the future of your center.
